

HF-S21 Housing

Clear and Colorful HD in a Compact Traveling Companion

The **Gates HF-S21** housing has the same superb underwater HD image quality as the popular HF-S11, but with a considerably larger 5.5in/14cm diagonal window for wide viewing angles of the big 3.5" diagonal camera LCD – your built-in detailed viewfinder. Of course the HF-S21 provides reliable fingertip mechanical control of all camera functions: Simply slide the Canon remote inside the shell and White Balance, Tele Converter and all embedded menu functions are readily available.

Reliability, durability, dependability – the Gates hallmark for over 40 years.

Compatible models: Canon HF-S20 / S21 / S200 (Gates HF-S10 housing shown)

Key Features

Durable, "Bulletproof" machined aluminum, black type III 'hard' anodize finish, and sealed with a nickel-acetate process.

Reliable Fingertip Controls are 100% mechanical -- no sticky buttons, faulty electronics or dead batteries!

LCD Window is your big, built-in viewfinder with wide viewing angles.

Precision Ports mean clarity, sharpness and no vignetting (cutoff dark corners) to spoil your images – critical for HD.

2-Year Warranty. Only Gates offers a 2-year renewable warranty on all housings.

Accommodates all Camcorder Battery Sizes up to BP-827 for maximum shooting between re-charges.

- * Machined Aluminum w/ Type III 'hard' anodize & Nickel Acetate Seal. Stainless steel hardware.

* Weight

- * Dry: 11.3 lbs / 5.1 kg (w/Cam & GP32 Port)
- * In Water: slightly negative

* Depth Rating

- * 450 feet / 137 meters

* Batteries

- * Accepts all batteries up to BP-827.

HF-S11 Housing (2)

Port Options

Standard Port SP32
This 1:1 port is optically corrected for underwater use.

Flat Port FP32
Good for macro work, the Flat Port allows full zoom through and use of diopters.

Wide Angle Port GP32
A Gates workhorse. Optical polycarbonate dome is field replaceable. Typical field of view is 70-80 degrees.

Light Options

Green Force

Elegant Belgian design is robust and powerful. Supplied by FI or optional FII batteries, the HID 50 burns 20 total watts for 120 or 240 minutes, respectively. Fully integrated with Gates.

Accessories

Gates Pole II, Tripod Mount, Microphone, Water Alarm, and more.
