Port Casing	Anodized Aluminum
Weight in Air	1.25lbs (0.57kg)
Buoyancy	Neutral
Depth Rating	200 feet (60m)
Warranty	1 Year Against Manufacturer Defect

For the truly discerning underwater videographer, we are proud to offer the **WP-80 Wide Angle Port** as an option for select Ikelite video housings. This represents the premium end of Ikelite wide-angle options and delivers the ultimate in resolving power, particularly important in high-definition applications.

This remarkable port is designed by renowned **Fathom Imaging** and uses only the highest quality optical grade glass elements. The resulting image is exceptionally crisp edge-to-edge, without distortion or vignetting. Its glass elements feature a superb anti-reflective coating to transmit a maximum amount of light. The port is nitrogen purged, vacuum sealed, and water pressure tested to 200 feet. These processes ensure a port that is entirely free of dust, debris, fogging/condensation problems, or leaks of any kind.

The WP-80 is useable above water for up to 90 degree field of view, underwater for up to 80 degree field of view (exact angle of coverage varies with camera model). Also useable at the surface for amazing over-under video.

The WP-80 is a complete unit, no additional lens or port is required. The Wide Angle Port replaces the housing's original port and *cannot* be removed and replaced underwater. A tool is included to assist in removing the housing's original port, allowing the WP-80 to thread easily into the front of the housing.

This port is too large to accept our existing removable UR/Pro filters. A new UR/Pro filter will be available to fit this port sometime in the near future.

Compatible with the following Ikelite housing models:

6014.11	JVC MG550, MG532, MG730
6014.12	JVC MG730 Package
6038.39	Sony DVD406, DVD408, DVD506, DVD508, DVD808, DVD908
6038.83	Sony SR190, SR200, SR290, SR300
6038.90	Sony SR1
6038.91	Sony SR5
6038.92	Sony SR7, SR8
6038.93	Sony SR10, SR220
6038.94	Sony SR11, SR12
6039.01	Sony HC1, A1
6039.03	Sony HC3
6039.05	Sony HC5
6039.07	Sony HC7, HC9
6070	Canon HV10
6071	Canon HV20, HV30
6080	Canon HG10
6090	Canon HF10, HF100
