

Full HD Camera

1. Material: aluminum, stainless steel, acetal, copper
2. Manufacturing: CNC machining
3. Surface treatment: anodized after barrel, sanding processes
4. Color: silver
5. Weight : 1,155g on land
6. Dimension : 220mm x100mm
7. Long-distance video transmission equipment
8. Deep rating: 200m (We can make over 200m.)

CAMERA Spec.

- 1/3" 2.1M Panasonic CMOS Image Sensor.
- GENNUM CHIP GV7600
- Wide Dynamic-Range Compensation (WDR)
- 4.5mm Mega Pinhole Lens
- External Detachable OSD
- NEXT EAGLE 2400 ISP
- Full HD Resolution
 - 1920x1080p / 30fps, 1920x1080i / 60fps
- Adaptive Digital Noise Reduction (2D/3D)
- PIP, DPC, DEFOG, SENS-UP
- DC 12V

Control box:

Battery Case: Battery, Camera Power on/off, Video in/out connectors(bnc)
Monitor(option), Light Power on/off(option)
