What Our Customers Think!

"I LOVE that I can simply use my iphone. No downloading or waiting, I now have amazing photos of tiger sharks, bull, lemon, nurse sharks!!"

"The fact I don't have to worry about my iPhone 15 Pro Max while I'm in the the water up to 130 ft, while competition phone cases are only at 50 feet is the best satisfaction for me."

"Completely water tight. Very clear. Very easy to take pictures and videos using the app. I absolutely love it and would highly recommend!"

PRODUCTS COMING OUT IN 2025

- **ANDROID COMPATIBLE PROSHOT DIVE CASE:**

We're excited to share that we're making a Dive Case designed for Android phones! This new case will be compatible with most Android models on the market (at least all Samsungs & Google Pixels), rated to 130 ft/40 m, and will be built with the same rugged durability and ease of use you expect from ProShot. This one-case-fits-all design will be a reliable & affordable dive case option for any smartphone user.

Expected Release Date: Summer 2025

- **ANDROID COMPATIBLE PROSHOT TOUCH CASE:**

In addition to our hard-shell deep Dive Case for Androids, we're also creating an Android compatible Touch Case, ideal for all water sport enthusiasts, including open water divers. It will be rated to 50 ft/15m, compatible with all Android phones, and will provide touchscreen access above water. We're replicating our 'ProShotCase' iOS App for Android operating systems, which will allow full camera access underwater using just the Android's volume buttons. All ProShot Cases will include our exclusive 1-Year Smartphone Protection Guarantee.

Expected Release Date: Mid - Late 2025
